Projects

Portfolio Website **March 2026**

HTML, CSS, JavaScript, Bootstrap 5, Django

- Designed a modern, responsive portfolio website using HTML, CSS, JavaScript, Bootstrap 5, and Django, featuring dark/light mode and smooth UI transitions.
- Designed interactive sections and project cards with hover effects, animations, and clean layout for enhanced user experience.
- Generated Implemented a functional contact form and ensured cross-device responsiveness, smooth navigation, and SEO-friendly structure.

Ticket Management System **February 2026**

HTML, CSS, Bootstrap 5, JavaScript, Django

- Built a responsive ticket management web application using HTML, CSS, Bootstrap 5, JavaScript, and Django for creating and tracking support tickets.
- Designed intuitive UI with role-based dashboards and dynamic ticket status updates (Open, In Progress, Resolved, Closed).
- Focused on usability, responsive design, and seamless frontend-backend integration for improved user experience.
